

Biesse participates in the Berenberg Pan-European Discovery Conference France

Pesaro 22 June 2018

As part of its objective to optimise relations with international investors, Biesse participated in the Pan-European Discovery Conference organised in Provence by Berenberg (20-22 June).

During this event the management of Biesse met with the principal European and American buy-side institutions and organised dedicated meetings with analysts with whom it discussed ongoing activities. The Company presentation used in these meetings is available in the Investor Relations section of the Group website www.biessegroup.com.

The Biesse Group operates in the market for machinery and systems for working wood, glass, marble and stone and advanced materials. Founded in Pesaro in 1969 by Giancarlo Selci, Biesse S.p.A. has been listed on the STAR sector of Borsa Italiana since June 2001 and is currently a constituent of the FTSE IT Mid Cap index.

The Company offers modular solutions from the design of turnkey plants for large furniture manufacturers to individual automatic machines and work stations for small and medium enterprises and the design and distribution of individual highly technological components.

As a result of its attention to research and innovation, Biesse can develop modular products and solutions capable of responding to a vast range of requirements from clients.

A multinational company, the Biesse Group distributes its products through a network of subsidiaries and associates located in leading strategic markets.

The 39 directly controlled subsidiaries guarantee specialized after-sales assistance to clients whilst at the same time carrying out market research in order to develop new products. The Biesse Group currently has more than 4,100 employees in its main production sites in Pesaro, Padua, Villafranca (VR), Thiene (VI), Alzate Brianza (CO), Bangalore, Dongguan and its associates/branch offices in Europe, North America, Latin America, the Middle East, Asia and Australasia. The Group also has more than 300 resellers and agents enabling it to cover more than 100 countries.
